DARC
Amateur Radio (HAM) Repeaters:

- 145.49 (-) 100hz tone Utah Hill
- 146.64 (-) 100hz tone Webb Hill
- 145.45 (-) 100hz tone Toquerville

This map is provided as a courtesy and is a joint effort between the BLM, UPLA, Desert R.A.T.S. and Dixie 4 Wheel Drive.

Blowing sand and other natural elements can change trail paths. Therefor these maps are provided as a general overview and common sense should be used when navigating any off road trail. Never drive alone and avoid trails that are beyond you or your vehicle's abilities. This is the desert, ALWAYS carry water.

If you have any questions or need assistance please phone the Sand Hollow State Park 435-680-0715 or Dixie 4 Wheel Drive 435-673-2546
